EXPERIENCE THAT SPANS
OVER 15 YEARS.

PROVIDING WORLD CLASS SERVICE

WHO WE ARE

ESTABLISHED IN 2004, FORMERLY REGISTERED 2015

→ PL Formwork and Scaffolding is a South African-based company providing innovative Formwork Solutions, Scaffolding Solutions, and Shoring Solutions, across South Africa. The company currently has offices in Clayville and Hilbrow.

Established in 2004 by Raymond Ndlovu and Phannuel Ndlovu, inspired by their passion and experience in the construction industry. The company was formerly registered and started operating in 2015.

SINCE INITIATION THE COMPANY HAD ONE CLEAR GOAL OF TAKING ON THE HIGHLY COMPETITIVE CONSTRUCTION INDUSTRY SPECIALIZING IN SCAFFOLDING AND FORMWORK.

EMBRACING USE OF TECHNOLOGY

→ PL Formwork and Scaffolding embraces a commitment to investing in the latest technology and equipment to increase efficiency and to minimize risk. The company is keeping abreast with the technological developments in the construction industry.

PROJECTS THAT WE WORK ON ENTAILS DETAILING, WITH EACH ASPECT HANDLED BY EXPERIENCED SPECIALIST TEAMS. THESE TEAMS COMPETE ON THE OPEN MARKET TO ELIMINATE COMPLACENCY.

EFFECTIVE AND ECONOMICAL SOLUTIONS

→ PL Scaffolding has built up a reputation for effective and economical solutions, brought in on time, within budget and to specification, while never sacrificing quality and safety. PL Formwork and Scaffolding has the necessary logistical and infrastructural support to manage the transportation of all components to site for any project size. The company also undertakes to coordinate and oversee any range of sub-contractors.

SATISFACTION GUARANTEE

OUR BEE PARTNERSHIP STRATEGY

With big international players in our industry, competition can be unfair for BEE companies like PL Formwork & Scaffolding. That is why we go into strategic partnership with other BEE companies in terms of resource sharing.

We believe in establishing joint- ventures and partnerships with other service providers, optimum mobilization and utilization of local human and physical resources to augment our resources where necessary.

100% SATISFACTION GUARANTEE

We believe in providing world-class service to our customers by delivering service of high quality timely, at minimum cost and ensuring that our workforce have 'ownership' of the project.

Embedded in our organizational management values, is the aspiration of raising achievers and leaders. We are committed to sound ethical values, which encompass accountability, efficiency, respect, synergism and creativity.

The above is achieved through strategic human resource development for maximum production, conducive working conditions and by adhering to prevailing standards. We maintain a well motivated team that goes beyond customer expectations. We guarantee 100% satisfaction on all our services.

Our Vision & Values

WHAT MAKES US, US.

INTERGRITY

Our core value is Integrity. We believe in being open to the client. We believe it is better to lose on a deal because we were truthful than to win a deal using incorrect information or misrepresentation.

EXCELLENCE

We pride in excellence, we do not accept mediocrity. We aim for industry leadership in terms of best practice, best of breed, professional staff and cutting edge solutions.

ACCOUNTABILITY

Accountability, love, social awareness and team learning are the other values we take seriously at PL Formwork & Scaffolding. We believe in eagerness to acquire and transfer knowledge and skills.

OUR VISION

TO PROVIDE QUALITY SERVICES THAT EXCEEDS OUR ESTEEMED CUSTOMERS' EXPECTATIONS.

OUR MISSION IS TO BE A SCAFFOLDING COMPANY THAT AIMS TO DELIVER QUALITY SCAFFOLDING AND PROFESSIONAL SERVICE DELIVERY.

Our Services

Reliable and Consistent High Standards of Services

We have committed ourselves to always be reliable and consistent in providing high quality products and services. We ensure that high standards are maintained at costs that are affordable to our clients.

At PL Formwork and Scaffolding we are involved in various kinds of projects. These include Industrial & Civil Construction, Roads & Bridges, Building and Structure Maintenance and Shoring
